

HONDA

CIVIC

FORGET THE REST

THERE'S ONLY ONE CIVIC
ITS ENGINE ROARS TO LIFE
ITS SENSES ARE POISED TO GO
TAKE COMMAND OF THE WHEEL
AND LEAVE EVERYTHING BEHIND
FORGET DULLNESS
FORGET STILLNESS
FORGET RULES

CIVIC
TECHNOLOGICALLY ADVANCED
AGGRESSIVELY STYLED

FORGET ORDINARY

Built by passion. Driven by power. Civic pushes excitement beyond what you thought was possible. Conquer the road with its revolutionary sleek silhouette and signature boldness. Civic inspires head-turning envy that they'll never forget.

LED DAYTIME RUNNING LIGHTS & LED HEADLIGHTS

Civic expresses its sportiness at every angle, with the ultra-bright and long-lasting LED lights leading the way forward.

LED FOG LIGHTS

Low visibility is no match for the Civic. Switch on the Fog Lights to cast additional light on the road ahead.

SMART ENTRY

Civic responds to your unspoken command. Approach and it will unlock automatically without having to take the key out of your pocket.

TRUNK SPOILER & REAR COMBI LIGHTS

Charge ahead with enhanced aerodynamism from a sleek Trunk Spoiler, coupled with distinct boomerang-shaped tail lights that leave an impression wherever you go.

16" ALLOY WHEELS

17" ALLOY WHEELS

18" ALLOY WHEELS

ALLOY WHEELS

Bolder than ever, Civic's wheels come in new sporty 16" and aggressive black 17" as well as 18" designs, to give you even more presence on the road.

UNFORGETTABLE PERFORMANCE

Tighten your grip as Civic quickens your pulse. Its powerful Turbo engine with Earth Dreams Technology™ makes the journey not only exhilarating, but more fuel efficient. Nothing else compares to the Civic.

EARTH DREAMS TECHNOLOGY

Honda's revolutionary technology delivers environmental benefits balanced by the thrill of driving. The Civic's 1.5L VTEC Turbocharged engine will captivate you with unforgettable power equivalent to a 2.4L engine.

REMOTE ENGINE START

Breathe life into your engine and cool your car from afar before you enter with the Remote Engine Start function.

CONTINUOUS VARIABLE TRANSMISSION (CVT) & LEATHER GEAR BOOT

Our fuel-efficient smooth and stepless transmission heightens the driving experience, while a leather gear boot adds a touch of luxury.

PADDLE SHIFT

Be in full control of the gears of the Civic. Paddle Shift promises edge-of-your-seat excitement.

ECON BUTTON

Drive on in fuel-saving mode with a push of the ECON Button.

ECO ASSIST

At one glance, a colour-changing display reveals the efficiency of your drive.

PUSH START BUTTON

Awaken your Civic and advance at the command of your touch.

FORGET BOREDOM

Civic puts you in control of state-of-the-art engineering. Its cockpit inspired cabin fits innovations into every corner of the premium interior. All exclusively made to make every second unforgettable.

7" ADVANCED DISPLAY AUDIO

HOME SCREEN

An intuitive full colour touch screen allows you to tap through an extensive menu of controls, while soft touch buttons at the side give quick access to key functions.

DIGITAL DASHBOARD DISPLAY (TFT)

TURBO VIEW

The digital dashboard keeps important information at eye level, including the performance of your Turbo engine.

ELECTRIC PARKING BRAKE

A streamlined centre console replaces a conventional hand brake with the Electric Parking Brake, which works with a simple pull.

STEERING CONTROL SWITCH

Reach out and thumb through music, your phone book and more, without taking your hands off the steering wheel.

AUTO DIM REARVIEW MIRROR

Sensors react to headlight glare from cars behind you to automatically dim the mirror.

SMARTPHONE CONNECTIVITY

Mirror your smartphone and access your favourite apps including Waze through the touch screen, which is Apple CarPlay™ and Android Auto™ compatible.

Android Auto™ will be available upon official launch of the service in Malaysia.

CALL FUNCTION

Civic links with your smartphone to display caller information on the dashboard. You can answer or reject the call* without looking at your phone.

MUSIC DISPLAY

Pace your drive to a soundtrack selected from your phone's music library.

*Talking on the phone may distract you while driving. Honda cares for your safety and recommends you only take calls when your car is stationary. Call function is currently only available for Apple iPhone.

Actual model, features and specifications may vary in detail from images shown. Subject to change without prior notice.

UNFORGETTABLE SPACE & COMFORT

Inspired by Honda's Man Maximum Machine Minimum philosophy, Civic features an ultra-spacious interior. The addition of thoughtful features give you and your passengers an exceptional experience on the road. Soon, you'll find any excuse for a ride.

DUAL ZONE AIR CONDITIONING SYSTEM

Set individual temperature zones for yourself and your passenger's comfort.

REAR AIR CONDITIONING VENTILATION

Cool down your backseat passengers with their own air conditioning vent.

8-WAY DRIVER POWER SEAT

A fully adjustable driver's seat allows you to find the perfect driving position to maximise comfort.

CONCEALED STORAGE COMPARTMENT

Keep your belongings in reach, but out of sight within a deep storage compartment.

SMART DEVICE STATION

Make room for every device with multiple connectivity and charging ports.

LARGE CABIN SPACE

Generous headroom and legroom makes riding in the Civic an absolute pleasure.

519L CARGO SPACE

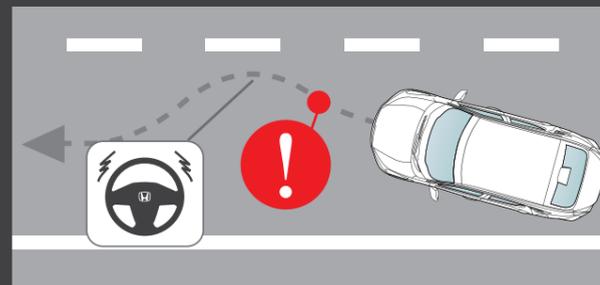

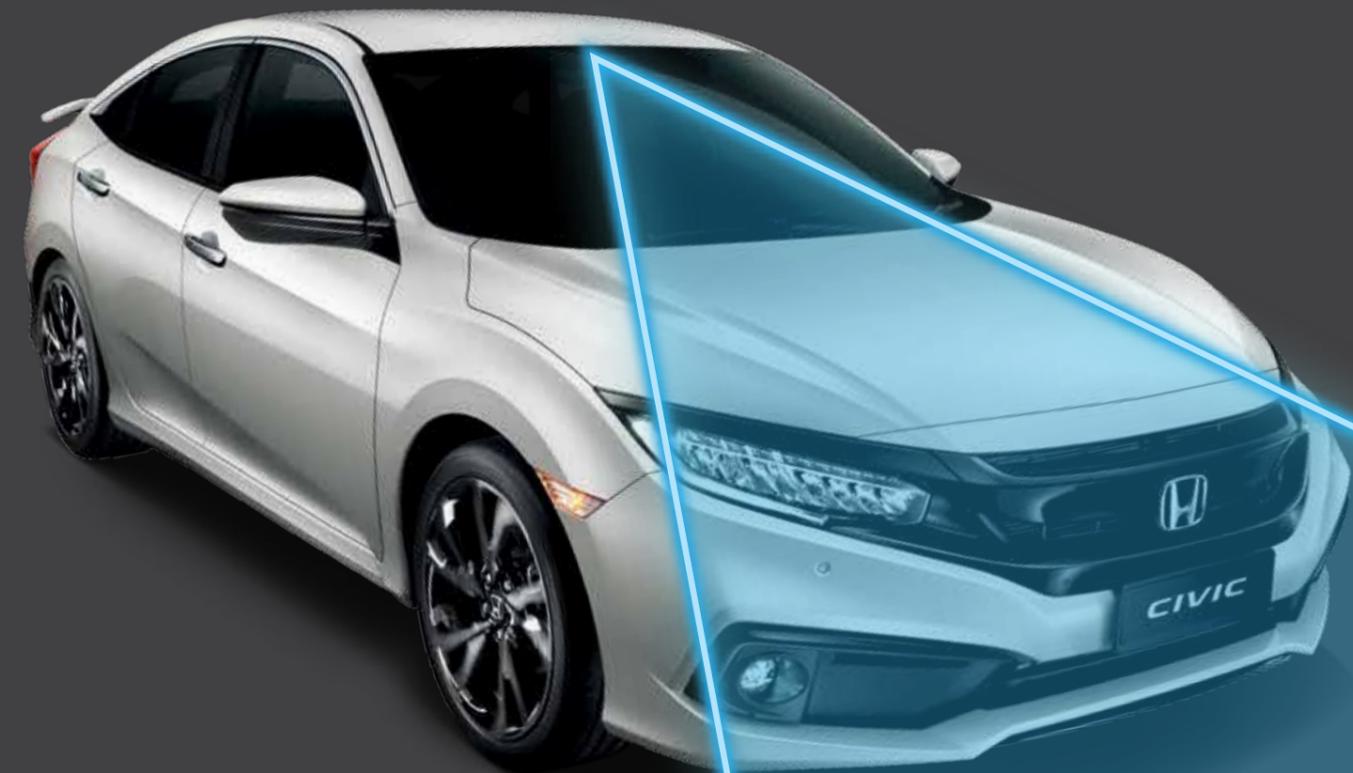

Load all your essentials into the Civic's spacious boot with room to spare.

Actual model, features and specifications may vary in detail from images shown. Subject to change without prior notice.

Honda SENSING™

Our full suite of 8 advanced driver-assistive technologies improves driving safety for complete confidence on the road. Honda SENSING™# is a next generation technology that utilises a radar and cameras to alert you to imminent danger. This reduces the likelihood of collision.

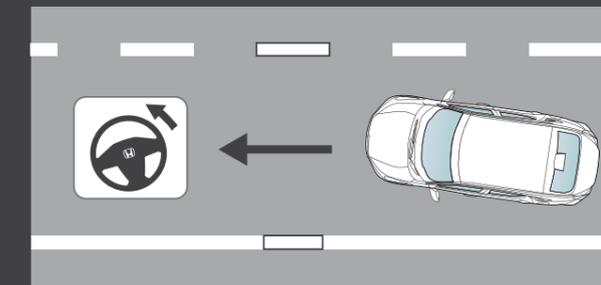

LANE DEPARTURE WARNING

If you drift out of the lane without activating the turn signal, the steering wheel vibrates and alerts you to correct your path.

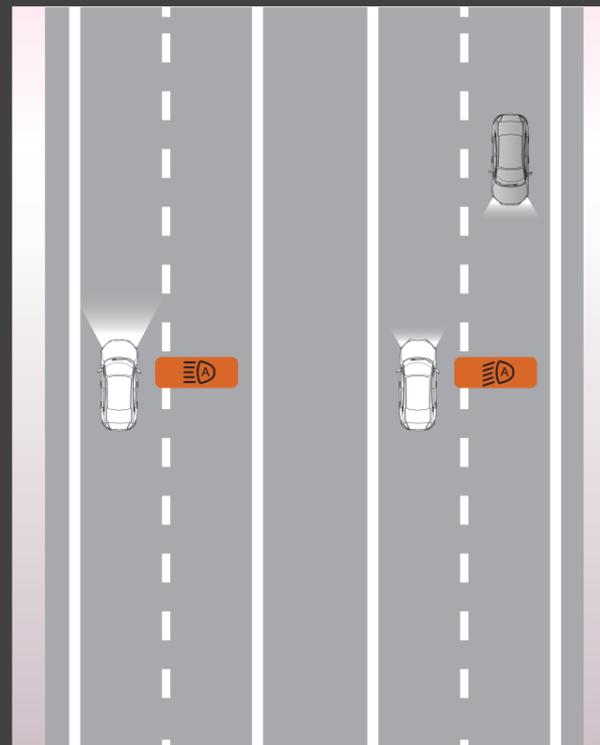

ROAD DEPARTURE MITIGATION

If your car veers too close to the edge of the road, it will alert and guide you back by correcting your steering and applying brakes.

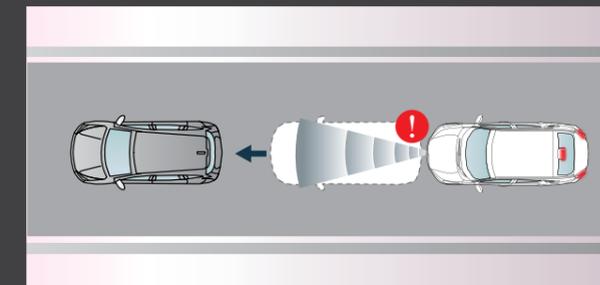

LANE KEEP ASSIST SYSTEM

An alert and gentle steering correction moves your car to the centre of the lane when it senses you are leaving the lane.

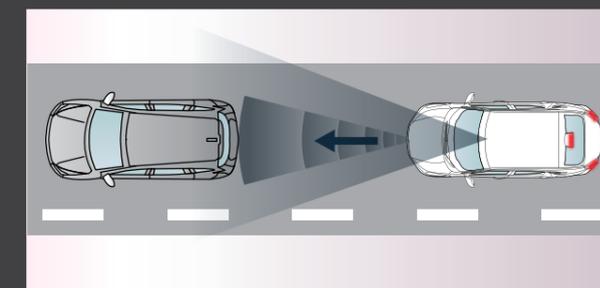

AUTO HIGH BEAM

Navigate safely at night with headlights that automatically switch from high beam to low beam when a car approaches from the opposite direction.

FORWARD COLLISION WARNING

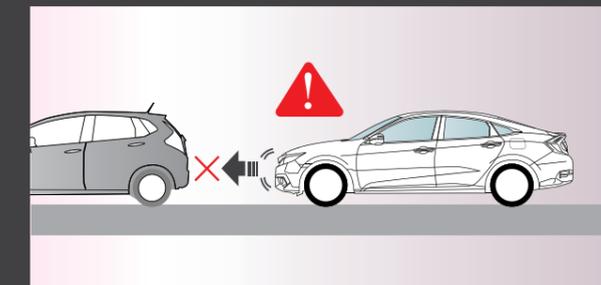

Provides audio and visual alerts when there is a risk of collision with the car ahead.

ADAPTIVE CRUISE CONTROL

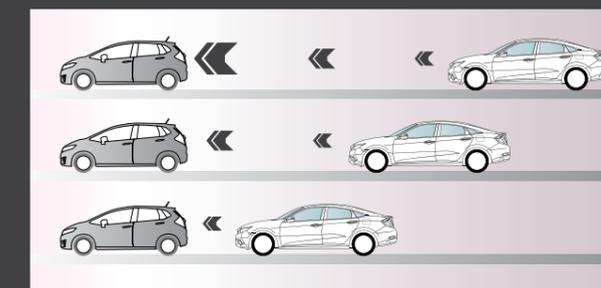

Sets a fixed cruising speed and distance between your car and the one ahead of you.*

*Works together with Low Speed Follow.

COLLISION MITIGATION BRAKING SYSTEM

Upon sensing an increasing risk of collision, the system will apply the brakes to slow down or completely stop the car.

LOW SPEED FOLLOW

Starts and stops your car automatically with the flow of traffic.**

**Works together with Adaptive Cruise Control.

Actual model, features and specifications may vary in detail from image shown. Subject to change without prior notice.
*Honda SENSING™ alerts and assists drivers to drive safely on the road. Honda SENSING™ functions best in conducive weather and visibility conditions. Keep the radar and cameras clean and unobstructed for optimum performance. Despite the capabilities of Honda SENSING™, drivers remain responsible for safely operating the vehicle and avoiding collisions.
12 Drivers should always keep their hands on the steering wheel and be in control of their driving behaviour at all times.

UNFORGETTABLE SAFETY

The electrifying Civic experience is complete with impeccable safety advancements to get you to your destination safely.

MULTI-ANGLE REARVIEW CAMERA

Reverse into the tightest parking spaces with the confidence that comes from a wide-angle camera with 3 angle viewing options.

Honda LANEWATCH

A camera mounted on the passenger side mirror highlights blind spots by displaying cars you can't see on the Civic's screen, assuring safer lane changing.

HILL START ASSIST (HSA)

Helps to prevent your car from rolling backwards when your brakes are released while on a hill.

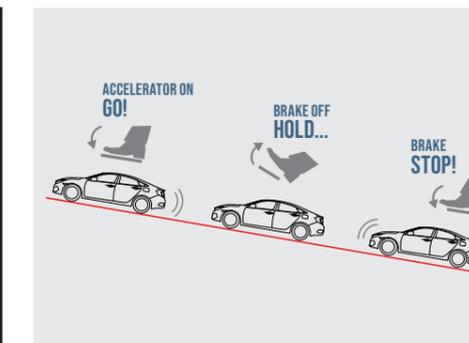

EMERGENCY STOP SIGNAL (ESS)

A sudden stop automatically triggers the flashing of the rear brake lights and hazard lights to warn other drivers.

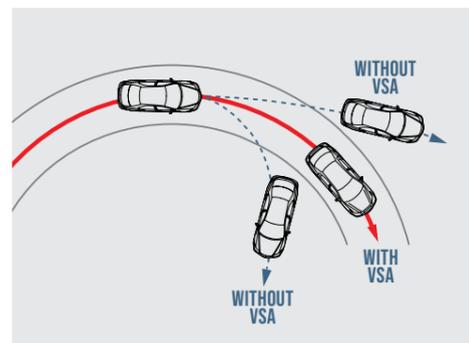

G-FORCE CONTROL (G-CON)

An impact absorbing frame diffuses G-Forces generated during a collision to minimise injury to passengers.

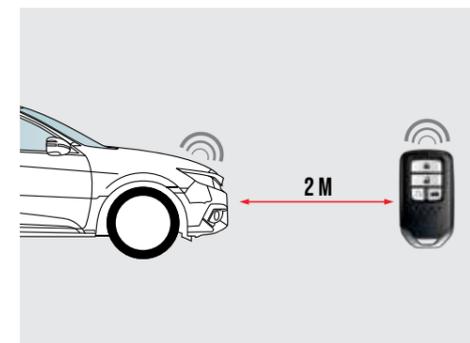

AUTO BRAKE HOLD (ABH)

Relieves fatigue by applying brake pressure without having to keep your foot on the brake during a traffic jam.

VEHICLE STABILITY ASSIST (VSA)

Stabilises the car by reducing understeer or oversteer as you drive around tight corners.

WALK AWAY AUTO LOCK

Secure your Civic fuss-free with our automated locking system that activates if you walk 2 metres away from the car or after 30 seconds.

6 AIRBAGS

Shield your passengers with Dual Front SRS Airbags, Side Airbags and Side Curtain Airbags for all variants.

REAR SEAT ISO FIX

ISO Fix anchor points help you to easily secure your child's car seat for absolute peace of mind.

FORGET IMITATIONS

Mark your Civic with Honda Genuine and Authorised Accessories, custom-made to highlight its sporty exterior or to enhance practicality.
